

CONFERENCES AND MEETINGS

Delegates are always delighted to come to Newick Park where nothing is too much trouble for our staff. The Library and Study, where the meetings take place, are both beautiful rooms with plenty of natural light, furnished with books and antique furniture and with open fires which are always lit on chilly days.

While you are in the peaceful surrounds of Newick Park you need not lose touch with the office. Wireless internet access is available in all our reception and conference rooms, with complimentary broadband internet access points in every bedroom.

To break the ice with new employees, or to give your hardworking staff a treat, why not surprise them with a chance to drive a tank, ride a quad bike or have a go at clay pigeon shooting on our grounds. A whole range of other activities are also available on the estate and our experts are there to guide you.
